

## Editorial

Dear Friends

It's that time of year again, the Annual General Meeting is nigh.

This annual event is gives us a chance to review the year and plan for the next.

Members will have received an AGM pack which includes the Minutes of last year's meeting, the financial report and the agenda.

Additionally, this year we will be doing something different. We will be asking your input to the vexed question about the future of the Ball following its cancellation this year.

The Ball has been the raison d'etre for the group for its early and middle years and a very important part of its operations over the recent past.

The committee feels that the membership should be given the opportunity to comment on this this issue.

You will receive a questionnaire about this with your AGM documents. Your responses will be compiled for input to the committee's presentation to the meeting.

Remember, you must be a member of the Three Sisters Social Group to participate in the AGM.

Until then, stay safe,

Terry
